

The Institute of Physics and
Engineering in Medicine

Dear Colleagues,

We are inviting you to participate to the:

Head and Neck Conformal Therapy and IMRT Course

16 - 18 June 2010

Organized by the Oncology Institute "Ion Chiricuta" in Cluj-Napoca

in partnership with

Royal College of Radiologists London

and

Institute of Physics and Engineering in Medicine London

Under the auspices of

The Organization of European Cancer Institutes (OECI)

The course and the practical demonstrations will take place
in the "Ion Chiricuta" Conference Room
and in the Radiotherapy Laboratory of the Oncology Institute

The course will be awarded with EMC credits. The registration will be made electronically by sending the registration form filled out to registration@iocn.ro. The registration form is available on the Oncology Institute website www.iocn.ro.
